Total time: 1hr 15 minutes

Easy questions: 5 points

Medium questions :10 points

Hard questions :15 points

5 sets(Each set has one of each difficulty level of question)

Total 15 questions

Participants can attempt only one set at a time.

Participants can attempt any question from the set but after asking to check their solution, the question gets locked in and they cannot attempt either of the other 2 questions in the set.

-3 to skip the current set.

Participants can ask to skip the current set if they want. (penalty applied)

After failing to submit a working solution on 2 calls, the participant will be forced to skip the current set(penalty is applied).

On finishing all 5 sets(maximum 5 questions submitted) the participant can loop back to the first set but the point system is changed to ?, ?, ? for easy, Medium, hard respectively.

No time limit per set or per question.

Number of teams will be reduced by half at the 45 minute mark and by half again at the 30 minute mark. (If it is a tie, time will be taken into consideration)

Live leaderboard will be present.

The top two teams will have a final face off with each other.

6 questions, 30 minutes, +5 +10 +15 points.

All 6 questions will be displayed.

Winning team is the one with the highest points. (If it is a tie, previous round score is considered)
